

Illinois Veterinary Associate Opportunities @ THE ANIMAL DOCTOR (“TAD”)

Cary 60013 www.theanimaldoctor.net; Sycamore 60178 www.sycamoreanimalhospital.net; Crystal Lake 60014 www.amcofcl.com

We have openings for licensed small animal and exotic animal Doctors of Veterinary Medicine to join our privately owned AAHA hospitals in suburban Chicago, IL communities. Modernized, in-house medical facilities include digital radiography, dental radiography, ultrasound, blood chemistry labs, CT scan suite and surgery suites (for general and advanced surgery). We perform and provide training for orthopedics including TTA and CBLO cruciate ligament repair procedures in-house. Our 21,000 square foot facility in Cary, IL includes a 1,000 square foot employee/client gym (with Life Fitness cardio and strength equipment), a 3,000 square foot client-pet co-exercise R&D platform and a therapeutic/rehabilitation aquatic center equipped with a dual-propulsion, 13’ x 14’ Endless Pool™ and two Tudor underwater treadmills.

Our on-staff expertise includes DABVP, CCRP, CVA, CVT and Certified Fear-Free personnel. We especially welcome veterinarians with deep diagnostic, surgical and dog life-extension¹ interests for which our patent-pending innovations² present an R&D hardware-software AI platform for next generation veterinary medical practice.

Send your resume to team@theanimaldoctor.net and submit your application on the “Careers” page at any TAD website.
